

# Lab Assignment

## Lab Assignment

- Your assignment today is to style the mini site that contains the three pages that you completed during last week's lab and also as homework.
- You are expected to use CSS3 to style headings, paragraphs, lists, text links, images, table(s) and form(s).

Make 3 commits and push to your remote github repo.

# Lab Assignment

- **Assignment Due:** Today 10.30PM PT
